

AMI Netball North Harbour brings you our MARCH 2012

'TEAM TALK'

To develop the netball one stop solution

From the CEO.....

A welcome to Lynette Brady to NNH as our new Netball Development Manager. Lynette has come from Netball Auckland Waitakere. Lynette has a varied netball background from community netball to high performance.

2012 is the year we celebrate our 60th birthday.

To start the celebrations we are co-hosting a Charity Ball with the North Harbour club which is wonderful opportunity for us to partner with the business community of the North Shore.

Funding of sport is becoming more challenging and I encourage you all to support this event given we are the direct recipients of the benefits of this fantastic fundraiser. More details in this newsletter.

Sponsorship of our AMI centre is something that we promote on a daily basis. We have a vibrant supportive family of sponsors and we recently held a lovely morning tea with them all to acknowledge their support of us. We particularly want to grow this prestigious group of sponsors so if you are interested in promoting your company or brand in a very visible way to our 16,000 strong member base then please give me a call.

The buzz game at the AMI Centre at the moment is VBALL. This fast flowing five a side game is proving to be a big success.

Get a group of friends together to join in the fun. Details are on our website.

The school holidays are looming – so please don't be disappointed and miss out on our school holiday programme. Details are on the website.

The Onewa Arena is getting high usage which is what we had hoped for. I thought I would let you know that to date we have had..... The Silver Ferns, The English National Team, The Mystics, and The Swifts all training here.

The feedback from these premier players is that the floor surface is great to play on, the building is light and airy and whole Arena has a fantastically good vibe about it. All wonderful feedback for us.

Many of you will have the opportunity to play in the Arena over the coming netball season, with many of our regular games scheduled in there. Don't forget to pencil in Tuesday evenings to watch our top Premier teams play here at home.

Yours in Netball,
Adele Lendich
CEO

A big thank you to our sponsors and community partners for your support during the 2011 season.

DIAMOND JUBILEE – CELEBRATE 60 YEARS WITH US

As you know this is the year that we begin to celebrate our **60th Birthday** and we have plans to commemorate this occasion throughout 2012.

Our first celebration to mark the **Diamond Jubilee** will be the **Charity Ball in the Onewa Arena on Saturday 28th April**. We are extremely fortunate to have the opportunity to partner with the North Harbour Club and the North Shore business community to help us promote and sell tickets to the Ball. By partnering with this prestigious group it is a wonderful way for AMI Netball North Harbour to gain exposure and hopefully future sponsorship which our sport heavily relies on.

The ticket price of **\$175 + GST** per person or **\$1500 + GST** for a table of 10 includes a **4 course plated meal along with champagne, wine, beer and other beverages on the table plus an evening of superb entertainment including the headline act of James Reid the voice of the Feelers**. Accomplished MCs April Ieremia and Shane Cortese (see photo below) will co-host the evening which will also include a quick auction.

We believe the ticket price is very reasonable considering the inclusions – and, of course, if you put together a table of 10, then the individual price of a ticket is considerably less.

This **Diamond celebration** is the perfect occasion to dress up (dress formal/cocktail) and have an enjoyable and entertaining evening with your friends, colleagues and clients while supporting **AMI Netball North Harbour and the North Harbour Club's AIMES Awards**.

We would love to see you and your fellow guests on the night and hope you will join us for a fabulous evening.

Please go to www.netballnorthharbour.co.nz to purchase your tickets
